## FIRST ANNUAL REPORT OF THE HOLDERNESS PLANNING BOARD

---

At the town meeting of March 11, 1969, the voters of Holderness voted affirmatively on Article 15 of the warrant which authorized the creation of a town planning board. Within the next 30 days, a Board of Selectmen appointed the required seven members as follows: Dr. Lawrence Staples and Ernest Chamberlain (5 year terms), Donald Hagerman (4 years), Frances Ayer (3 years), Gilbert Merrill (2 years), Derwood Corbett (1 year) and Earl Brown, selectman, (1 year).

The first regular meeting of the Board was held at the Squam Lakes Science Center on May 20, 1969, at which time members discussed the duties and future procedure of the Board and elected the following officers: Dr. Lawrence Staples, Chairman; Ernest Chamberlain, Co-Chairman; Frances Ayer, Secretary and Derwood Corbett, Treasurer.

Meetings were held at the Science Center on the second Tuesday of each month during the summer and twice a month thereafter. For the purpose of maintaining an accurate record of all business discussed, all meetings were recorded on tape.

Generally speaking, the Planning Board meetings have fallen into three categories:

- 1) those devoted to research and discussion by Board members. The Board members have studied and reported on the comprehensive plans drawn up by various towns in the state and have discussed the information and advice received from state officials and others. In addition, members of the Board have attended several planning sessions in neighboring towns. (6 meetings in this category)
- 2) those to which representatives of various town organizations were invited to give their opinions concerning town needs. Since all advisors have stressed the need for the understanding and co-operation of the residents of the town in drawing up a comprehensive plan, several meetings with representatives of town organizations and town officials were held and have proved most useful. Such organizations as: the Holderness Chamber of Commerce, the Holderness Conservation Commission, the Holderness Historical Society, and the Livermore Grange were met with by members of the Board. (5 meetings in this category)

3) those to which experts in the field of planning and related areas were invited to give information and advice concerning the approach to the organization of a comprehensive plan for the town of Holderness. Among these experts were Mr. Roger Merriman of Center Harbor, Surveyor; Mr. Leslie Sargent, Grafton County Forester; Mr. Michael Blake, N. H. Department of Resources and Economic Development; and Mr. Michael Dannehy, Soil Conservation Director for New Hampshire. In addition, Mr. Harold Brusseau, Mr. Robert Carleo, and Mr. Axel Jerome of the engineering firm of Howard, Needles, Tammen, and Bergendorf explained the procedure for making a comprehensive plan for the town and the method of applying for Federal funds. (4 meetings in this category)

The Board has received, from residents, many suggestions as to town needs. Among the items most frequently mentioned as being of prime importance were: adequate town maps (surface and soils), a solution to the problem of the town dump, the need for fire ordinances and enforcement, sewage disposal problems in lake areas and on River Street, additional parking facilities for town businesses and functions, and the provision of recreational areas. One question which has become evident as a matter of grave concern to many townspeople is the need of subdivision regulations. The sale of land and development plans in neighboring towns (such as the Lake Tarleton development) and immediate questions raised by the plans for the development of the former Camp Squamasee property on Little Squam Lake have done much to bring this concern into prominence.

The Federal Government has recognized the need to encourage Planning to the point of making Federal Funds available for this purpose. The Selectmen at the 1969 Town Meeting were authorized to apply for any aids, gifts, or matching grants wherever and whenever they might be available. In this connection the citizens of Holderness at the 1969 Town Meeting voted an appropriation of \$2,500 as the first installment of \$5,000 which would make Holderness eligible for a Federal Grant of \$15,000 for the purpose of making studies, surveys and mapping, using professional assistance when indicated, for obtaining and tabulating data leading to the formulation of a Comprehensive Master Plan. The Second installment, an appropriation of \$2,500 for Municipal Planning use in Holderness will be requested at the 1970 March Annual Town Meeting, thus making Holderness eligible to apply for the Federal Grant (HUD) which can be three times the amount appropriated by the town.

Planning is concerned with, and prepares for the future. Anything that presently exists, even though not ideal, remains unchanged, unless of course it is a menace to the public's health and

safety. Planning is a continuing long range project, flexible, not static, changing as time and conditions indicate, and always in accordance with the desires of the citizens of the community.

The town of Holderness has grown rapidly in the past few years, and all indications are that its expansion will continue to accelerate. That this inevitable growth shall preserve the qualities which our residents value and still meet the needs of the future, should be the aim of both the Planning Board and the townspeople of Holderness.

## SECOND ANNUAL REPORT OF THE HOLDERNESS CONSERVATION COMMISSION

---

The tasks undertaken by your commission during its first full year of operation include working with officials and residents of surrounding towns, private citizen groups, state, university and federal personnel.

The commission has received new town maps and air photos from the Dept. of Resources and Economic Development, the N. H. Highway Dept. and the Soil Conservation Service in its attempt to plan for future open space, recreation, refuse disposal and a host of other land-use issues.

Several books on conservation especially appealing to school children were purchased for both the Central School and Holderness Town Library. We are in hopes of repeating the practice again this year.

A multi-town meeting February 3 in Holderness was held for the purpose of discussing the feasibility of establishing a regional refuse disposal facility. A subsequent meeting was held on the same subject at Holderness School April 17.

A third meeting was held in the Community Church. The purpose was to ascertain the sentiments of Holderness voters with respect to creating a town planning board. The major differences between a conservation commission and planning board were emphasized and, at the annual town meeting in March, a unanimous vote in favor was recorded.

In exchange for supplying a guest speaker, the Pemigewasset Valley Fish and Game Club agreed to pay the costs of sending a

Holderness boy or girl to the Bear Brook Conservation Camp in Allenstown last June. We were happy to send Bobby Harris and, at year's end, are again looking for a second likely candidate.

One commissioner attended the Governor's Conference on Natural Resources April 23 and, in observance of Forest Conservation Week, ten arbor vitae and fifteen white birch seedlings were delivered to the Central School to be set out temporarily awaiting completion of construction.

Motion pictures on conservation were shown to various groups in town throughout 1969, including the Historical Society and Chamber of Commerce.

The commission consulted with state water pollution specialists, the local health officer and the Squam Lakes Association. Five hundred grams of fluorescein disodium salt, a profuse coloring agent, were purchased as one method of detecting faulty sewage systems. Already free packets with instructions have been handed out to interested enquirers.

Regretfully the commission accepted the resignation of William Collins effective September 15, and, at year's end, no replacement had been chosen to fill the vacancy.

In mid-December the commission met with the planning board to discuss priorities. In our view and favoring the best interests of Holderness, it was felt that the following measures should be instituted:

- \* subdivision controls
- \* inspection of private sewage systems
- \* a regional refuse disposal facility
- \* the setting aside of certain marshlands for wildlife propagation
- \* increased outdoor recreation facilities
- \* enforcement of junk car laws
- \* inventory of town-owned lands
- \* an attempt to retain New England character of the area
- \* continued planning for sewage disposal
- \* to plan for the retention of open spaces

Respectfully submitted,

Malcolm Taylor, Chairman  
Pierce Beij  
Mary Conrad  
Gertrude Elsner  
Roy Melanson  
George Richards

### **SUMMARY OF FINDINGS AND RECOMMENDATIONS**

---

January 21, 1970

Board of Selectmen  
Holderness, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Holderness for the fiscal year ended December 31, 1969, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

One of the enclosed audits must be given the Town Clerk as part of the permanent records.

#### **Scope of Audit**

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Library, Fire Department, Park Board, Planning Board, Holderness Cemetery Fund, Conservation Commission and Trustees of Trust Funds.

#### **Financial Statements**

**Comparative Balance Sheets—December 31, 1968 and December 31, 1969: (Exhibit A-1)**

Comparative Balance Sheets, as of December 31, 1968 and December 31, 1969, are presented in Exhibit A-1. As indicated therein, the Surplus decreased by \$5,646.61 in 1969, from \$20,435.83 to \$14,789.22.

**Analysis of Change in Financial Condition: (Exhibit A-2)**

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein.

## **Comparative Statements of Appropriations and Expenditures — Estimated and Actual Revenues: (Exhibits A-3 & A-4)**

Comparative statements of appropriations and expenditures—estimated and actual revenues for the fiscal year ended December 31, 1969, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a net unexpended balance of appropriations of \$136.23, plus a revenue surplus of \$2,134.91, resulted in a net budget surplus of \$2,271.14.

## **Summary Statement of Receipts and Expenditures: (Exhibit B-1)**

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1969, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proportion of the Treasurer's balance as of December 31, 1969, is indicated in Exhibit B-2

## **Other Departmental and Agency Accounts: (Exhibits E, F, G, H, I & J)**

Presented in Exhibits E thru J are statements showing the activity in the accounts of the Library, Fire Department, Park Board, Planning Board, Holderness Cemetery Fund and Conservation Commission

## **Audit Procedure**

The accounts and records of all Town officials charged with the custody, receipt and disbursement of public funds were examined and audited in accordance with generally accepted auditing standards, and accordingly included, such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

Verification of uncollected and unredeemed taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amount of uncollected and unredeemed taxes as indicated in this report are therefore subject to any change which may be necessitated by the return of verification notices.

## **General Comments**

### **Current Surplus:**

The current surplus (excess of total assets over current liabilities) decreased by \$7,746.61 during the year, from \$22,535.83 to \$14,789.22, as shown herewith:

	December 31, 1968	December 31, 1969
TOTAL ASSETS	\$ 90,158.02	\$139,694.31
CURRENT LIABILITIES	67,622.19	124,905.09
CURRENT SURPLUS	\$ 22,535.83	\$ 14,789.22

**Conclusion :**

The provisions of Chapter 184, of the laws of 1955, require that this report or the summary of the findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Holderness for their assistance during the course of the audit.

Yours very truly,

O. MAURICE OLESON  
Director

**Certificate of Audit**

This is to certify that we have examined and audited the accounts and records of the Town of Holderness for the fiscal year ended December 31, 1969.

Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the Exhibits included herewith present fairly the financial condition of the Town of Holderness as of December 31, 1969, together with the results of operations for the fiscal year ended on that date.

Yours very truly,

**O. MAURICE OLESON**

## MINUTES OF ANNUAL MEETING MARCH, 1969

---

The annual meeting of the Holderness School District was called to order at 4:30 P. M. on March 8, 1969, by the moderator, Mr. Carl Elsner, who read Article I:

To choose by ballot a Moderator, a clerk, and a treasurer to serve one year, and one member of the School Board to serve a term of three years.

Mr. Currier moved as follows:

I move the polls remain open for voting on Article I until 9:00 P. M. and that the remaining articles be acted upon at 8:00 P. M. Motion was seconded by Mr. Needham. The moderator requested a voice vote which was in the affirmative without opposition. He therefore declared the polls would be open until 9 and the remaining articles of the warrant would be acted on at 8 P. M. At 8 P. M. the moderator called the meeting to order, closing the polls temporarily for the purpose of the meeting. A prayer was offered by Mr. Hall. The moderator then read the remaining articles of the warrant.

Mr. Beij moved Article 2 as follows:

I move the District approve the salaries of the School Board, Attendance Officer and other officers and agents of the District as proposed in the budget, namely: School Board \$200 each; Chairman \$225; Clerk \$10; Treasurer \$175; Moderator \$10; Ballot clerks \$10; Census Taker \$35; Attendance Officer \$10; and Book-keeper \$525 as proposed in the budget.

The motion was seconded by Mr. Earl Brown. The moderator called for a voice vote which was in the affirmative without opposition.

Mr. Frederick Brown moved Article 3 as follows:

I move the District accept the reports of the audit of the General Fund, Treasurer, School Lunch Program that was made by the Division of Municipal Accounting of the State Tax Commission and the reports of the Agents of the District as printed in the Annual Report.

The motion was seconded by Mrs. Ayer. The voice vote was in the affirmative without opposition.

Mr. Carvelli moved Article 4 as follows:

I move the District authorize the School Board to enter into a

yearly tuition contract with other school districts for pupils in grades 9 through 12, for the school year 1969-70.

The motion was seconded by Mr. Earl Brown. The moderator called for a voice vote which was in the affirmative without opposition. Mr. Walter Hill, Jr. moved Article 5 as follows:

I move the District approve the expenditure of \$20,000 for new equipment and site development for the addition to the Holder-ness Central School.

The motion was seconded by Mr. George Richards. A considerable discussion ensued. Questions were asked from the floor by Mr. Bourne concerning the fact that the school budget asked for this money over the original request, from Mrs. LeBlanc questioning the need for shop and home economics courses, questioning the safety of using power tools. Mr. Currier and Mr. Frederick Brown explained that bids for the building came in at so high a figure, that the equipment could not be included in the original request. Mr. Heffernan, given permission to speak by unanimous vote, pointed out that the students were shortchanged without an industrial arts program because when they went to high school they were not equipped in these fields.

Mr. Bourne said the contractor should have been obliged to fill the contract. Mr. Frederick Brown replied the contract will be completed. Additional money is for equipment, not the building. Mr. Currier added it was the business of the meeting to determine whether or not the building would be equipped.

Mr. Gordon asked what had been depleted in the building program. Mr. Brown answered the exterior had been changed from brick to steel, the fallout shelter beneath the floor had been deleted, the new sewage system cut out. Mrs. Cote stated this information should have been brought to the townspeople. Mr. Brown replied that if they had come back to the town it would have taken that much longer to rebid the contract. Mr. Jones asked the cost of the building per square foot. Mr. Currier advised him it was \$45. a square foot. Mr. Heffernan pointed out the cost of labor rose from \$2.50 to \$3.20 an hour. Such rates were set by the labor commission, Mr. Jones stated. Mr. Bourne said he thought the town had been shortchanged. Mr. Carvelli stated they were attempting to save money by investing.

Mrs. LeBlanc asked why the gym shouldn't be left alone, and enlargement made by adding rooms. Mr. Frederick Brown replied that the old gym was not large enough for meetings and games, that the roof was leaking. He pointed out further that if this building had not been built it would have been necessary to tuition

out students next year. It cost \$18,000 more this year to tuition out students. Mr. Currier stated that next year it would be \$40,000. Mrs. Wolf moved the question. Seconded by Mr. Richards. The moderator asked for a voice vote. He declared in the affirmative without opposition.

Article 6 was read by the moderator as follows:

I move the District authorize the School Board to borrow \$20,000 in the name and on the credit of the Holderness School District by the issuance of serial bonds or notes under and in compliance with the provisions of N. H. RSA Chapter 33, and all amendments thereto, and to authorize the School Board to sign such notes or bonds in the name of the School District, countersigned by the Treasurer, to determine the rate of interest, terms and maturities, and to do such other acts as may be necessary to effect the issuance, negotiations, sale and delivery of such bonds and notes.

Mr. Johnson moved Article 6, seconded by Mr. Carvelli. Mr. Hefernan said this would require the use of the check list since it needed a two-thirds vote. The moderator declared the vote would be by written ballot. When the ballots had been counted the moderator declared that 80 had been cast, with the results as follows:

total	80
yes	68
no	11
blank	1

Since the two-thirds vote of 54 had been exceeded the moderator declared it was a vote in the affirmative.

Mrs. Corbett moved Article 7 as follows:

I move the District vote to approve the contingency fund of

\$250.00 listed in the budget in accordance with RSA 198:4b.

Motion was seconded by Mr. Carvelli. There was no discussion. The moderator called for a voice vote which was in the affirmative without opposition.

Mr. William Anderson moved Article 8 as follows:

I move the District vote to raise and appropriate the sum of \$205,842.55 for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of the statutory obligations of the District.

The motion was seconded by Mr. Earl Brown.

Mr. Bourne questioned the item under plant operation #640 -heat. He asked what the fuel oil was for. Mr. Currier replied the heating expenses had been the same over the years until last year —

\$1,100 to \$1,300 — last year they were much higher. The extra \$1,000 is for the added facility. Mr. Bourne asked if the cost would increase again next year with the new added facility. Mr. Currier replied the budget was up on many items. Reflected are teachers' increases. Mrs. Cote said that the best teachers should be obtained, that the building was nothing without the teachers. Mr. Currier replied that the base salary is \$5,600. No present staff has less than \$6,150. He stated the school board's opinion was that the salary schedule was equitable. Mrs. LeBlanc asked if the present teachers necessarily got an increase. Mr. Currier replied not necessarily. Mr. Taylor asked if the raise in tuition cost is because of the per pupil cost. Mr. Currier answered the problem is in school population. Mrs. Cote asked the amount of tuition to Plymouth for the students. Mr. Currier replied \$600, but the new rate will be \$700. Mr. Bourne asked if the \$21,450 increase includes two teachers. Mr. Currier responded yes. He also pointed out that the superintendent already has 12 applications for the district, and these people are aware of the salary schedule.

Mr. Hall said that according to his records the \$5,600 base is low. Mr. Currier pointed out they have gone to a 5% index instead of 4%. Mrs. Cote said Mr. Heffernan would give Meredith the best teachers. That many teachers in the district go out of state, and we get what's left. Mr. Frederick Brown replied that no teacher was turned away last year for salary reasons.

Mr. Earl Brown moved the question. Seconded by Mr. Harrison. The motion to move the question was in the affirmative without opposition. The motion was, by voice vote, in the affirmative without opposition.

The moderator moved Article 9 as follows:

I move the District authorize the School Board to make application for and to accept, on behalf of the District, any or all grants or offers for educational purposes which now or hereafter may be forthcoming from the State of New Hampshire and/or United States.

Motion was seconded by Mr. Carvelli. Mr. Plant asked how long it would run. Mr. Currier replied one year. The moderator asked for a voice vote, which was in the affirmative without opposition. The moderator read Article 10 as follows:

To transact any other business that may legally come before the meeting.

Mr. Collins moved:

I move the District extend a vote of thanks to Charles Currier for his loyal and devoted service as a member of the School Board for the past six years.

The motion was seconded by Mr. Brown. The moderator declared a unanimous vote.

Mr. Whitman moved as follows:

I move the District authorize the School Board to spend any of the proceeds accumulated through interest and the premium on the Bond Issue for the addition and construction of new facilities at the Holderness Central School.

Motion seconded by Mr. Carvelli.

Mr. Currier rose to thank the people at large for the help he had received during his tenure as school board member.

Motion to adjourn was made by Mr. Carvelli, seconded by Mr. Ken-neson.

Holderness School District

STATE OF NEW HAMPSHIRE  
SCHOOL DISTRICT WARRANT

---

SCHOOL DISTRICT OF HOLDERNESS

GRAFTON SS

To the Inhabitants of the School District in the Town of Holderness, in the County of Grafton, in the State of New Hampshire, qualified to vote in the District affairs:

You are hereby notified to meet in the Holderness Central School in said District on the 7th day of March 1970, at 9:30 A. M. to act upon the following articles as set forth in this warrant.

Article 1 of this warrant covering the election of Moderator, Clerk, Treasurer and member of the School Board will be acted upon at 10:00 A. M. and voting will be by official ballot and check list. The polls will remain open for this purpose from 10:00 A. M. to 6:00 P. M. and from 7:30 P. M. to 9:00 P. M., if the meeting so determines. At 8:00 P. M. the remaining articles will be acted upon.

Article 1. To choose by ballot a Moderator, a Clerk, and a Treasurer for the ensuing year and one member of the School Board for the ensuing three years.

Article 2. To hear the reports of Agents, Auditors, Committees or Officers chosen and pass any vote relating thereto.

Article 3. To see if the District will vote to establish a contingency fund to meet the cost of unanticipated expenses that may arise during the year. Such fund shall not exceed one per cent of the amount appropriated for school purposes, exclusive of capital expenditures and amortization of debt, during the preceding year. (RSA 198:4b).

Article 4. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of the statutory obligations of the District and to authorize an application against said appropriation of such sums as are estimated to be received from the state together with other income; the School Board to certify to the selectmen the balance between the revenue and the appropriation, which balance is to be raised by taxes by the Town.

Article 5. To see if the District will vote to authorize the School Board to make application for and accept, on behalf of the District, any or all grants or offers from the State of New Hampshire and/or United States.

Article 6. To see if the District will vote to elect the School District officers at the Annual Town Meeting effective in 1971 in accordance with RSA 197:1-a.

Article 7. To transact any other business that may legally come before the meeting.

Given under our hands at said Holderness this 18th day of February 1970.

August 28, 1969

The School Board  
Holderness School District  
Holderness, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Holderness School District for the fiscal year ended June 30, 1969, which was made by this division in accordance with the vote of the District. Exhibits as hereafter listed are included as part of the report.

**SCOPE OF AUDIT**

Included in the examination and audit were the accounts and records of the School Board and the School District Treasurer. Also included is a report on the School Lunch Program Account.

**FINANCIAL STATEMENTS**

**Comparative Balance Sheets: (Exhibit A)**

Comparative Balance Sheets as of June 30, 1968 and June 30, 1969, are presented in Exhibit A. As indicated therein, the Net Debt increased by \$208,773.95 during the fiscal year ended June 30, 1969.

## **Analysis of Change in Financial Condition: (Exhibit B)**

An analysis of the change in financial condition of the School District during the fiscal year is made in Exhibit B, with the factors which caused the change indicated therein.

## **Comparative Statements of Appropriations and Expenditures — Estimated and Actual Revenues: (Exhibits C & D)**

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended June 30, 1969, are presented in Exhibits C and D. As indicated by the Budget Summary (Exhibit D), a revenue surplus of \$625.09, plus a net unexpended balance of appropriations of \$28.32, resulted in a net budget surplus of \$653.41.

## **Classified Statement of Receipts and Expenditures: (Exhibit E)**

A classified statement of receipts and expenditures for the fiscal year ended June 30, 1969, made up in accordance with the uniform classification of accounts, is included in Exhibit E. Proof of the Treasurer's balance as of June 30, 1969, is indicated in Exhibit F.

## **Building Fund Account: (Exhibit G)**

A statement of the activity in the Building Fund Account is presented in Exhibit G. As indicated, there is a balance of \$42,248.94 at June 30, 1969.

## **Statement of School Lunch Account: (Exhibit H)**

A statement of the School Lunch Program Account is presented in Exhibit H.

## **Statement of School Tax Account: (Exhibit I)**

A statement of the School Tax Account with the Town of Holderness is included in Exhibit I. As indicated therein, as of June 30, 1969, the School District had received from the Town the total of the 1968-69 School Tax in the amount of \$129,597.87, less \$6,011.57 which was advanced in 1967-68.

## **Statement of Long Term Indebtedness: (Exhibit J)**

A statement of the outstanding long term indebtedness of the School District as of June 30, 1969, showing annual debt service requirements, is contained in Exhibit J.

## GENERAL COMMENTS

### Current Surplus:

The current surplus (excess of current assets over current liabilities decreased by \$648.95, from \$1,298.47 to \$649.52, during the fiscal year ended June 30, 1969, as shown herewith:

	June 30, 1968	June 30, 1969
Current Assets	\$ 7,587.34	\$ 45,688.21
Current Liabilities	6,288.87	45,038.69
Current Surplus	\$ 1,298.47	\$ 649.52

Bonds or Notes Authorized — Unissued: \$ 20,000.00

At the Annual School District Meeting held March 8, 1969, it was voted to appropriate the sum of \$20,000.00 for new equipment and site development for the addition to the existing school properties. To raise this appropriation the School Board is authorized to borrow \$20,000.00 under the provisions of the Municipal Finance Act.

### Conclusion:

The provisions of Chapter 184, of the Laws of 1955, require that this report of a summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the School District.

We extend our thanks to the officials of the Holderness School District for their assistance during the course of audit.

Yours very truly,

O. Maurice Oleson  
Director

**CERTIFICATE OF AUDIT**

This is to certify that we have examined and audited the accounts and records of the Holderness School District for the fiscal year ended June 30, 1969.

Our examination was made in accordance with the generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the Exhibits included herewith present fairly the financial condition of the School District as of June 30, 1969, together with the results of operations for the fiscal year ended on that date.

Respectfully submitted,

O. Maurice Oleson  
Director

# REPORT OF THE SUPERINTENDENT OF SCHOOLS

---

To the School Board and Citizens of Holderness:

I respectfully submit my fifteenth and last annual report as Superintendent of Schools of the Holderness School District.

The Holderness School District has been assigned to the Plymouth Supervisory Union No. 48 as of July 1, 1970. The Holderness School district is a member of the Plymouth Area High School which will be opening in September of 1970.

## STAFF:

Mr. E. Harlan King, Jr. was elected Principal replacing Guy Keneson who resigned to devote full time to his business enterprises. Mr. King is a graduate of Vermont Academy at Saxtons River, Vermont, St. Lawrence University, and he has a Master's Degree from State University at Boston. He has been a classroom teacher at Walpole, Massachusetts for four years and taught two years in the Armed Forces overseas program.

Mrs. Claudia Spangler, a graduate of Plymouth State College is teaching Grade one replacing Mrs. Joy McCarthy.

Miss Susan Dalziel, a graduate of Plymouth State, has been assigned to Grade two and Mrs. Corbett is teaching Grade three. Miss Dalziel has been a member of the Rumney School staff for the past two years.

Mrs. Sally Jean Baillargeon, a graduate of Central Michigan University and who has been teaching for the past two years in Flint, Michigan is teaching Grade four as Mrs. MacNeil accepted a position at the Plymouth Elementary School.

Mrs. Nancy Hogan, a graduate of New Rochelle College is teaching Language Arts, Grades five through eight.

Mrs. Kathleen LaPlant was employed as an additional member of the staff to teach General Science and Home Arts to the girls. Mrs. La Plante has completed her student teaching assignment and is completing her degree work at Plymouth State College and will graduate in June.

Mrs. Diane Whiston, who attended the University of Akron, is the Music Teacher on the basis of one day a week. Mrs. Whiston is also teaching in the Ashland and Inter-Lakes Schools.

Mr. Albert Gilchris is the new custodian as Mr. Barton resigned to devote more time to his business.

## **Additions and Improvements:**

When school opened in September, the addition of the new multipurpose room with stage and facilities for a cafeteria, two classrooms, one for shop and one for Home Economics, Shower-locker rooms in the basement area and the conversion of the former auditorium-gymnasium into a library and classroom and the addition of two classrooms on a second floor level were ready for occupancy.

With the added facilities it is possible to have single grades in the classrooms and to offer a much fuller program on a single grade departmental basis for grades 5 through 8.

The two areas in the basement make it possible to teach shop and home economics to the pupils in grades 5 through 8 and better prepare them to enter grade 9. The new library or instructional material center has fast become the center for academic achievement with a number of new references and reading books for the pupils in Kindergarten through the eighth grade.

### **Costs:**

The average cost per pupil based on operating cost was \$380.51 for the school year 1968-69. The State average was \$483.00.

The property tax assessment for the 1969-70 school year is \$196,659.75 which was \$67,061.88 over the previous year.

The District received \$7,012.50 which is 30 percent of the payment on the principal of the bonded indebtedness and \$1,520.78 from the sweepstakes program.

### **Conclusion:**

The Holderness School District is very fortunate in continuing to have devoted citizens as members of the School Board.

At this time, I wish to extend my appreciation to the members of the School Board, Principal and Staff for their cooperation and sincere devotion to their duties. I feel we are very fortunate in the high caliber of our administrative and teaching staff this year.

It has been a pleasure and one with a great deal of satisfaction in the accomplishment over the past fifteen years in seeing the pupils enter grade one and graduate, to realize the growth in the plant, the association with the various Board Members and members of the staff.

I also wish to take this opportunity to express my appreciation to the bus drivers, lunch program personnel, custodian, Chief of Police, fire department, road agent, selectmen, town librarian and any others that have given of their services to help the youth of this community.

As a result of the fine cooperation and support of the various organizations and individuals we have been better able to meet the needs and provide an excellent quality of education for the citizens of the future.

MARTIN E. HEFFERNAN  
Superintendent of Schools

## SUPERVISORY UNION #2

### BUDGET

---

The Supervisory Union Budget for the 1969-70 school year was pro-rated among the three districts on the basis of the 1967-68 average daily membership and the 1966 equalized valuation as follows:

District	Percentage	Supt's. Salary	Office Exp. Sec. Salary & Travel
Ashland	18.21%	\$ 2,276.25	\$ 1,893.70
Inter-Lakes	68.25%	8,531.25	7,097.36
Holderness	13.54%	1,692.50	1,408.04
	<hr/> 100.00%	<hr/> \$ 12,500.00	<hr/> \$ 10,399.10

The Superintendent's salary for 1969-70 is \$15,000.00. The Supervisory Union's Share is \$12,500. and the balance of \$2,500. is paid by the State Department of Education.

## PRINCIPAL'S REPORT

---

To the School Board, Superintendent of Schools, Parents and Citizens of Holderness:

I respectfully submit my first annual report as Principal of the Holderness Central School.

The opening day of school September 3, 1969, brought with it the opening of the new addition which included three new classrooms, a library, the home economics and industrial arts room, as well as the new cafetorium-gymnasium.

The new building signified only the physical change brought during the summer months. In addition, there were a number of staff changes including Mrs. Claudia Spangler (grade 1), Miss Susan Dalziel (grade 2), Mrs. Sally Baillargeon (grade 4,) Mrs. Kathleen LaPlant (science, home economics, and girls' physical education), and Mrs. Nancy Hogan (language arts grades 5-8).

The new members quickly and smoothly joined forces with last year's faculty, Miss Barden, Mrs. Corbett, Mrs. Heinz and Mr. Youngman, to form a uniquely talented, cooperative and enthusiastic team which has been a pleasure and challenge with which to work.

With the cooperation of the faculty and the students, it has been an easy transition to initiate a number of curriculum improvements. For example, at the present time all students in grades 5-8 are participating in a complete physical education program which meets two periods per week. In grades 7 and 8 the boys and girls have had the advantage of an excellent home arts program which meets three periods weekly. The 5th and 6th grade classes have gained experience in these areas by meeting twice monthly. Both of the above activities are under the direction of Mr. Youngman and Mrs. LaPlant.

Another addition to the program this year has been the introduction of a weekly club period. The purpose being to expose the pupils to a broader range of activities thus providing a more stimulating learning environment. The clubs this year have included Dramatics, Chef's Club (boys), Sports Club, Student Council, Art Club and Year Book Club.

Other school highlights have been report card conferences, the Christmas program (Mrs. Whiston), weekly assembly programs,

WPNH broadcasts (Mrs. Hogan), a standardized testing program (state sponsored), eye, ear and dental programs (Mrs. Richards), student teachers in grades 2 and 4 and two highly successful athletic teams: football (Mr. Youngman) and basketball (Mr. Spangler).

Future activities currently planned for are: an inspection of the new addition by Holderness citizens, a Winter Carnival and a reporting to parents of the testing results which took place in grades 2, 4, 6 and 8 earlier in the year.

I feel mention should be made of the fact that the Holderness Boys' School has been sending a group of boys who have volunteered to participate in a tutoring program which has given us the opportunity to offer individual instruction to many pupils.

I also wish to thank the Boys' School for its Christmas gift of many fine books needed in the primary grades.

The School has received a number of other book gifts from private citizens for which it is also very grateful.

I would like to express my appreciation to our teachers' aide Mrs. Currier, our kitchen manager, Mrs. Carvelli and her able assistants Mrs. Hayes, Mrs. Watts and Mrs. VanHagen, as well as Mr. Gilchris our custodian who have all done a superb job in supporting the faculty and administration.

There is not space available to assign credit to all those individuals including the entire staff, parents and interested citizens who have contributed so much to the success of this school year.

In concluding this report I might say that the people of this community have demonstrated that they wish to have quality education for their young people; I am satisfied to report that this school year has seen the realization of that ambition.

Respectfully submitted,

E. HARLAN KING, JR.  
Principal
